

# Cervical Screening

## Turas eLearning Programme

### Target Audience

General Practice Nurse with  
no cervical screening training

***There are limited training places  
available to be allocated on a  
first come first serve basis***

CPD Connect are excited to announce the launch of the Initial Cervical Screening Education for General Practice Nurses who are new to Cervical Screening with no previous training.

***Please do not register if you:***

- ***are not in a position to be able to complete the eLearning module now***
- ***do not have a Practice Assessor to complete your Statement of Competence***
- ***do not agree to submit a Quality Improvement Project***

You must have a Turas account to access the eLearning.
